## (ENRICHED BIO MANURE)

*A Boon to Soil Health*

Net Weight : 2kg

## **Product Description**

"SAMRRUDHI" is an 100% organic friable manure made using fully decomposed cow dung of desi cows. The Bio Manure has a rich biodiversity of beneficial microbial organisms like Trichoderma, Azospirillum PSB, Jeevamrutham, Fruit Compost and Whole Fruit Neem Powder. The addition of microbes stimulates biological activity which in turn leads to improved nutrient availability, retention and nutrient uptake by the growing crop.

### **Benefits to the Soil, Crops and Farmers**

- Beneficial for Soil and Environment
- Improves soils structure, texture, aeration and water holding capacity.
- Provides nourishment to soil micro flora and balanced nutrition to the plant.
- Act as a binder and holds the soil particles together and reduce soil erosion.
- Free flowing, easy to apply and has no bad odour even on storage.
- Completely free from weed seeds, eggs of pests, spores of disease pathogens.

### **NUTRIENT COMPOSITION**

Moisture % by weight	- 15.0 to 25.0
pH	- 6.5 to 7.5
Conductivity	- < 4.0
Total Organic Carbon%	- 12
Total Nitrogen(as N)%	- 1.0-2.0
Total Phosphate(as $P_2O_5$ )%	- 1.0-2.0
Total Potassium(as $K_2O$ )%	- 1.0-2.0

### **Other Parametere**

All heavy metals are within safe limits as per FCO specifications.

### **Usage :**

Suitable for a broad range of crops

### **Dosage :**

As Recommended By the Local Agriculture university / Agri and Horti Departments / Contact Customer Care

### **Storage & Shelf Life**

- Store in a cool and dry place
- The shelf life of product will be one year from the date of manufacturing
