- viii. The products should conform to the standards of IP/BP/USP as the case may be. However, the drugs notified in the IP (amended up to date) shall be accepted only if supplied conforming to the standards outlined in the IP. In case the product is not included in the any of the said compendiums, the supplier, upon award of the contract, must provide the reference standards and testing protocols for quality control testing. For imported drugs, respective Country's Pharmacopoeia standards shall be acceptable (even if the product is official in IP).
- ix. The case of admixture of drugs will be treated as a violation of tender conditions. If such lapses happen more than twice in a tender period such cases will be treated as "Misbranded Drugs".
- x. The supplier shall furnish evidence of the basis for shelf life and other stability data concerning the commercial final package on request by the Purchaser. In case of any complaint in the field, the B.M.R/B.P.R for the particular batch of the product(s) supplied shall be produced when demanded.

- 32. In the event of the firm not making supplies within the stipulated delivery period, the TTD reserves the right to purchase the items or substitute (s) from any other source and the extra cost thus incurred by TTD will be recovered from the supplier in addition to the recovery of appropriate penalty as decided by the Management as the case may be from the deposits or bills payable to the supplier without giving any separate notice for recovery. T.T.D. also reserves the right to blacklist and debar such suppliers from participating in future supplies to TTD.**

- 33. Saving Clause:** No suit, prosecution or any legal proceedings shall lie against the

Purchaser, which is done in good faith or intended to be done in pursuance of tender. The Purchaser reserves the right to make modification, alteration or relaxation in any of the clauses or conditions given in this tender document.

- 34. Resolution of Disputes:** If any dispute or difference arises between the parties relating or concerning or to interpretation of the contract or any alleged breach thereof or any matter relating to the contract, the same shall be settled by the parties as far possible by mutual discussion and consultation between themselves, whether the same has arisen during the subsistence of the contract or thereafter.

In the event of any dispute arising out of the contract, it will be settled through mutual discussions and consensus failing which through arbitration as per Arbitration & Conciliation Amendment Act 2005, failing which through court of law within jurisdiction of Tirupati. ALL THE LAWS OF THE LAND WILL APPLY.

35. Late Delivery Charges (LDC):

Late Delivery Charges (LDC)-**General:** The successful supplier shall supply ordered Items within 60 days from the date of release of supply / purchase order by TTD. The Late Delivery Charges will be levied on cost of supplies, @ 1% on supplies reaching the destination places from 61st day to 75th day and @ 2% on supplies reaching destination place from 76st day to 90th day. No supplies will be accepted after 5 pm of 90th day from the date of purchase order and in such a case, the agreement will be cancelled duly forfeiting the deposits. The LDC will be deducted from the payment bill or EMD as deemed fit by TTD. The TTD also reserves the right to cancel the agreement for the failure of keeping with the delivery schedule by the tenderers, in addition to this deposits along with the outstanding amount to the suppliers will also be forfeited.

- 36.** The TTD reserves the right to reject either the entire lot or part of the supply or impose cut, penalty or forfeit the EMD at its discretion if the quality is not strictly in accordance with the sample and specifications if any given by the supplier or of inferior quality goods if confirmed by Lab reports. In this regard the decision of Management, TTD shall be final and binding on the supplier. In addition to this the firm will be blacklisted for a period of 3 years from doing any business with TTD.
- 37.** The payment will be made only after the receipt of goods at TTD Hospitals in GOOD condition and should be strictly in conformity with the specifications.
- 38.** T.T.D. reserves the right to charge penalty as decided by the Senior Medical Officer or the authorities of officials to withhold payment for any unsatisfactory material supplied by the supplier without prejudice to its other rights. In this regard, the decision of Senior Medical Officer or authorized officials is final. The supplier is further liable to reimburse/compensate the TTD or to third party for any loss, damage, injury, harm etc., caused or arising out of the negligence in supply of low quality medicines, or any other act or breach of contract.
- 39.** Notwithstanding anything contained in the terms and conditions of this Tender, the TTD Management is the ultimate authority in deciding the recovery of percentage of penalty from the supplier taking in to account the stock position and future requirement of the supply in the larger interests of the organization.
- 40.** If the successful Bidder fails to execute the agreement and / or deposit the required SD within the time specified (within 15 days from the date of receipt of letter of acceptance of the tender) or withdraws his tender / Bid after the intimation of the acceptance of his tender/ Bid or owing to any other reasons, he is unable to undertake the contract, his contract will be cancelled and the Earnest Money Deposit deposited by him along with his tender/bid shall stand forfeited to the TTD and he will also be liable for all damages sustained by the TTD, by reasons of breach, such as failure to supply/ delayed supply, including the liability to pay any difference between the prices accepted by him and those ultimately paid for the procurement of the articles concerned. Such damages shall be assessed by the SMO, TTD or authorized officials whose decision is final in the matter. In addition to this the tenderer will also be proscribed from doing any business with TTD for a further period of 3 years along with the removal of the tenderer from the e-procurement site for a period of 3 years.

41. Packing Norms:

- (a) All medicines must be strongly and securely packed in for safe transportation/shipment in such a manner as to prevent damage and pilferage in transit, from the point of shipment to final destination.
